UNIONLUX

English
Philips Xenon HID bulb Warranty

Philips warrants that the Philips Xenon HID bulb is free from defects in materials and workmanship for a period of three (3) years from the date of purchase. The warranty is limited to the bulb and does not cover the ballast, wiring, or any other components of the lighting system. The warranty is void if the bulb is used in a non-approved application or if it is damaged by accident, misuse, or other causes. The warranty is also void if the bulb is used in a non-approved application or if it is damaged by accident, misuse, or other causes. The warranty is also void if the bulb is used in a non-approved application or if it is damaged by accident, misuse, or other causes.

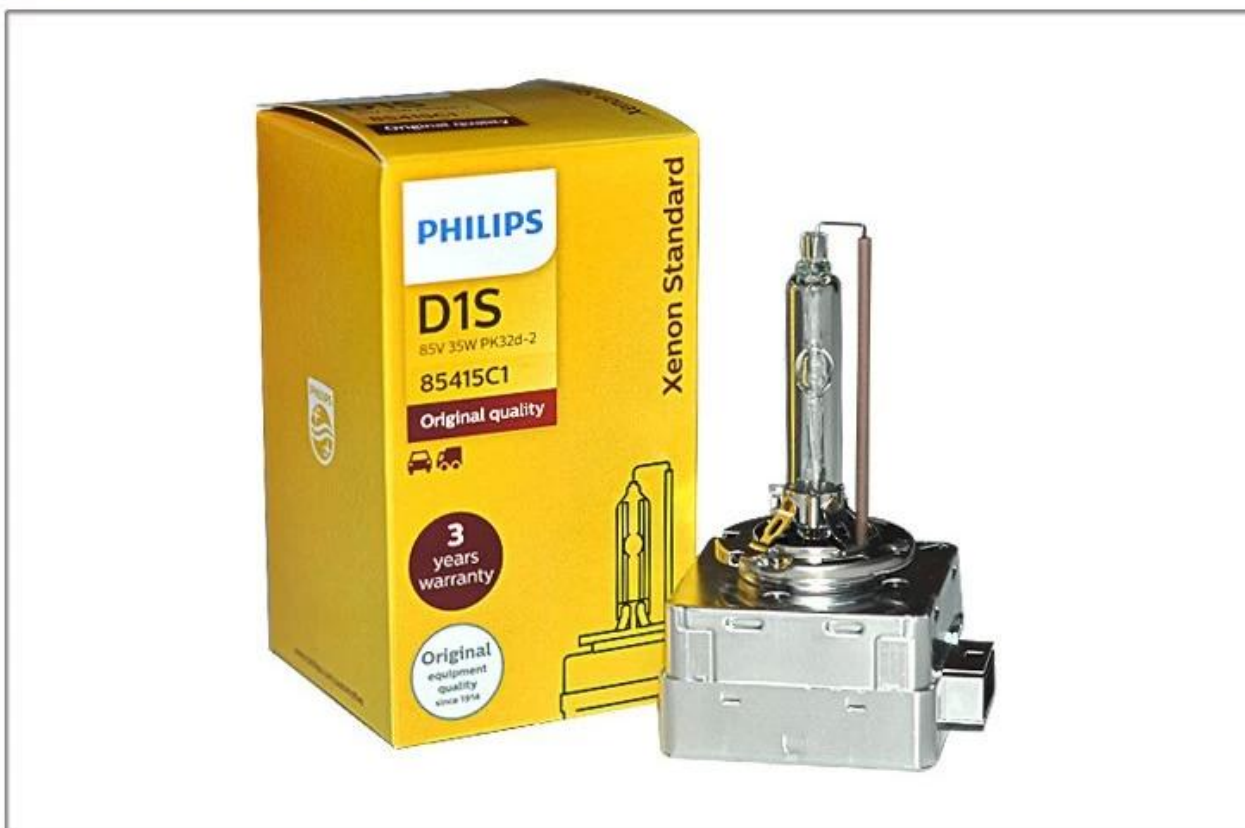

Terms and conditions of Warranty

The Philips warranty only applies if the product has been used in accordance with the instructions for use. The warranty is not valid for products that have been modified or used in a non-approved application. The warranty is also void if the product is damaged by accident, misuse, or other causes. The warranty is also void if the product is used in a non-approved application or if it is damaged by accident, misuse, or other causes.

What is excluded from the Warranty

The warranty does not cover the ballast, wiring, or any other components of the lighting system. The warranty is also void if the product is damaged by accident, misuse, or other causes. The warranty is also void if the product is used in a non-approved application or if it is damaged by accident, misuse, or other causes.
